QGIS Application - Bug report #10448
QGIS always rendering added spatialite layers

2014-06-04 01:17 AM - aperi2007 -

Status:	Closed		
Priority:	Severe/Regression		
Assignee:			
Category:			
Affected QGIS version:	2.2.0	**Regression?:**	No
Operating System:		**Easy fix?:**	No
Pull Request or Patch supplied:	No	**Resolution:**	fixed/implemented
Crashes QGIS or corrupts data:	No	**Copied to github as #:**	18860

Description

Hi,
adding a set of spatialite layers using the spatialite provider.
The qgis always start to rendering them .

The checkbox
settings -> options -> By Default the new layer added shoul be displayer
is UNCHECKED.

So I guess this is a bug.

I use the qgis-dev updated from osgeo4w 32bit yesterday.

regards,
