

QGIS Application - Feature request #10528

Automatically apply Color Ramp

2014-06-10 08:25 AM - Antonio Locandro

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:	Symbology	
Pull Request or Patch supplied:		Resolution: fixed/implemented
Easy fix?:	No	Copied to github as #: 18938
Description		
<p>Currently if you change the color ramp the change is not applied to Symbol unless you click on it, the default behavior should be once I select a color ramp the symbol gets updated automatically without touching Value/Label, just updating Symbol</p>		

History

This should also apply to the invert checkbox, it should automatically invert Symbols if checked or if unchecked

#2 - 2014-06-24 05:12 AM - Paolo Cavallini

- Category set to Symbology
- Subject changed from Color Ramp to Automatically apply Color Ramp

#3 - 2017-05-01 12:47 AM - Giovanni Manghi

- Easy fix? set to No

#4 - 2018-03-19 06:57 PM - Antonio Locandro

Tested latest version and it seems to work according to this issue, so I think we can close this one

#5 - 2018-03-19 08:39 PM - Nyal Dawson

- Resolution set to fixed/implemented
- Status changed from Open to Closed
