

QGIS Application - Feature request #1054  
Restore old default theme as "classic"

2008-05-01 02:39 AM - Markus Neteler

<b>Status:</b>	Closed	<b>Resolution:</b> fixed <b>Copied to github as #:</b> 11114
<b>Priority:</b>	Low	
<b>Assignee:</b>	Tim Sutton	
<b>Category:</b>	GUI	
<b>Pull Request or Patch supplied:</b>		
<b>Easy fix?:</b>	No	
<b>Description</b>		
<p>Please add back the good old default theme (easier to understand than the current default theme). Attached as patch/tarball the relevant files which just need to go into images/themes/classic/.</p> <p>Please add this before the next release as it is trivial to do and does not break things.</p> <p>Only problem: the icons for the GRASS plugin do not change. Bug/non-feature in the theme manager?</p> <p>thanks, Markus</p>		

History

<b>#1 - 2008-07-27 05:36 PM - Tim Sutton</b>
- Status changed from Open to In Progress
I'm looking at this - I've also implemented failover so that if a theme icon is not found it will provide the default theme equivalent. Working on the GRASS icons too. Will commit shortly.
<b>#2 - 2008-07-29 11:47 AM - Tim Sutton</b>
- Resolution set to fixed
- Status changed from In Progress to Closed
Fixed in commit:a25211d4 (SVN r8949).
