<b>Pull Request or Patch supplied:</b>	No	
<b>Easy fix?:</b>	No	
<b>Description</b>		
<p>It'd be very useful for the Text Annotation tool to gain a few basic layout settings, namely:</p> <ul style="list-style-type: none"><li>- horizontal &amp; vertical alignment of text</li><li>- margin between text and frame border</li></ul> <p>Those settings are present for Composer's label items and would be extremely useful in providing basic layout settings for the annotation tool.</p>
