QGIS Application - Feature request #1069
Outline pattern

2008-05-06 05:06 AM - pls -

Status:	Closed		
Priority:	Low		
Assignee:	Tim Sutton		
Category:	Symbology		
Pull Request or Patch supplied:		**Resolution:**	fixed
Easy fix?:	No	**Copied to github as #:**	11129

Description

in town planning there is the need to use symbols along outlines; outline styles should include an "outline pattern" selection in folders as "texture pattern" in "Fill style"
See the attachment for an example

History

May be the best solution is to implement symbology based on user deifned rules like representations in [[ArcGis]].
http://webhelp.esri.com/arcgisdesktop/9.2/index.cfm?TopicName=Understanding_representation_rules

#2 - 2010-06-11 10:01 PM - Paolo Cavallini

- Resolution set to fixed

- Status changed from Open to Closed

New symbology should have fixed this. Please check and reopen if unsatisfied with the solution
