QGIS Application - Bug report #10992
QGIS Map Composer and OpenLayer saving is a lottery

2014-07-31 09:14 AM - baditaflorin -

Status:	Closed		
Priority:	Normal		
Assignee:			
Category:	Map Composer/Printing		
Affected QGIS version:	2.4.0	**Regression?:**	No
Operating System:	Windows	**Easy fix?:**	No
Pull Request or Patch supplied:	No	**Resolution:**	invalid
Crashes QGIS or corrupts data:	No	**Copied to github as #:**	19335

Description

You will never know if the images is loaded when you will save, if you will save 3 times with the same setting, maybe one time will save the image, another save partial of the image, etc

History

#1 - 2014-07-31 09:19 AM - Giovanni Manghi

- Resolution set to invalid

- Status changed from Open to Closed

Openlayers plugin is a 3rd party plugin and AFAIK supporting printing in QGIS composer was never (meant to be) supported. I'm pretty sure anyway that if the composer scale is set to one of the (fixed) scales used by google maps, bing, etc. then you will get aligned layers and backgrounds.
