

QGIS Application - Feature request #11054

Allow "Feature Subset" queries to be copied/pasted to new layer when using "Copy/Paste Style"

2014-08-14 12:18 PM - Donovan Cameron

Status:	Open	Resolution: Copied to github as #: 19388
Priority:	Normal	
Assignee:		
Category:	Unknown	
Pull Request or Patch supplied:	No	
Easy fix?:	No	
Description		
<p>It would be nice if you could copy and paste "Feature Subset" queries when using the "Copy/Paste Style" feature from the right-click menu for layers in the layer list.</p> <p>You can manually copy and paste the Query into the Feature Subset window found in the "General" tab of that layers "Properties" window.</p>
