

QGIS Application - Feature request #11125

Use bold text in QGIS font marker symbol

2014-09-01 03:19 PM - Matthew Baker

Status:	Open	Resolution: Copied to github as #: 19454
Priority:	Normal	
Assignee:		
Category:	Symbology	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
When symbolizing features (point) in QGIS 2.4 using the FONT MARKER symbol type, it would be useful to enable BOLD text on the labels.
