<b>Affected QGIS version:</b>	2.4.0	<b>Regression?:</b> No
<b>Operating System:</b>		<b>Easy fix?:</b> No
<b>Pull Request or Patch supplied:</b>	No	<b>Resolution:</b> fixed/implemented
<b>Crashes QGIS or corrupts data:</b>	No	<b>Copied to github as #:</b> 19515
<b>Description</b>		
<p>Per this GISSE question - <a href="http://gis.stackexchange.com/a/113784/2856">http://gis.stackexchange.com/a/113784/2856</a> - there appears to be a small bug in Extract_raster_values_to_CSV.py which causes an error - 'Dataset' object has no attribute 'mapToPixel'.</p> <p>Untested fix should be just to replace `raster.mapToPixel` with `mapToPixel` on line 88 of /python/plugins/processing/script/scripts/Extract_raster_values_to_CSV.py</p>
