QGIS Application - Feature request #11222
make it possible to deactivate tips popup by command line option

2014-09-18 02:32 AM - Gerald Richter

Status:	Open

Pull Request or Patch supplied:	No	**Resolution:**	
Easy fix?:	No	**Copied to github as #:**	19532

Description

since it might be of use to see the tips when starting in interactive mode,

but undesired if QGIS is started in batch mode, since the tips popup interrupts the flow,

it were great, if the tips didn't come up when e.g. the --nologo option is set.
