QGIS Plugin Site - Bug report #11245
qgis2leaf character

2014-09-22 12:43 AM - Lubomir Sliva

Status:	Rejected	
Priority:	Normal	
Assignee:		
Category:		
Pull Request or Patch supplied:	No	

Description

Qgis 2 leaf plugin is not able to get/export vector layer if attribute table contains collumn name with capitals.

History

#1 - 2014-09-22 12:52 AM - Paolo Cavallini

- Status changed from Open to Rejected

Please report this on the plugin bugtracker.

Thanks.

#2 - 2014-09-29 07:30 AM - Riccardo Klinger

We've already worked on this issue and I think we solved it.
