- Status changed from Open to Feedback

- Subject changed from UNION BUG to Union issue

Sorry but the description does not help understand the issue. Is not even clear if it is an issue report or a question about of to perform a task.

What do you mean with "great shape"? What union tool are you using? The one in the vector menu? or another tool in the Processing toolbox?

You may want to add a description in Portuguese if it helps, I will translate it. Thanks!
