

QGIS Application - Feature request #1155

unselect all selected features of different layers

2008-07-14 03:42 AM - bjpfei -

Status:	Closed	
Priority:	Low	
Assignee:	nobody -	
Category:	Vectors	
Pull Request or Patch supplied:		Resolution: fixed
Easy fix?:	No	Copied to github as #: 11215
Description		
<p>A great thing would be the possibility to unselect all selected features of different layers. If I'm right only unselecting all selected features of one layer is actually possible. Therefor a button in the toolbar would be great.</p>		

History

#1 - 2008-12-20 05:24 AM - Borys Jurgiel

We can also implement a menu with various selection tools, including Barry's Select plugin, some fTools tools etc

#2 - 2009-11-27 09:06 AM - Paolo Cavallini

- Resolution set to fixed

- Status changed from Open to Closed

Fixed in commit:ad615322 (SVN r12225)
