

QGIS Application - Feature request #11959
Extent indicator for inset map in composer

2015-01-07 12:41 AM - James Rogers

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:		
Pull Request or Patch supplied:	No	Resolution: invalid
Easy fix?:	No	Copied to github as #: 20167
Description		
I would like to be able to generate an extent indicator rectangle within an inset map in composer, that shows the spatial extent of the main map like the attached example.		

History

#1 - 2015-01-07 03:44 AM - Nyal Dawson

- Resolution set to invalid
- Status changed from Open to Closed

That's already possible - look in the map item properties under Overview. If you still have difficulties, please ask for help on the mailing list or at <http://gis.stackexchange.com/>
