**Description**

The printlayout crash arbirary no some SHP-files.

Version : 0.11.0 on ubuntu (amd64) hardy

## History

**#1 - 2008-08-25 11:57 PM - Marco Hugentobler**

*- Resolution set to fixed*

*- Status changed from Open to Closed*

I think this is solved with the merge of the printing branch. I tested on a 32 bit machine (but I think that 23/64 bit is not critical here). Feel free to reopen the bug if you encounter the problem with svn trunk or 1.0 release later.

**#2 - 2009-08-22 12:57 AM - Anonymous**

Milestone Version 1.0.0 deleted
