QGIS Application - Feature request #12067 Add a search bar in the "Get scripts and models" dialog

2015-01-27 08:53 AM - Harrissou Santanna

Status:ClosedPriority:NormalAssignee:Victor OlayaCategory:Processing/Core

Pull Request or Patch shapplied:

Easy fix?: No Copied to github as #: 20268

Description

Hi,

As the aim is to collect various scripts and models written by all of us with the "get scripts and models" tool in the Processing toolbox, having a search bar in the eponymous dialog will be a great improvement, once there will be more and more tools added.

Resolution:

Thanks
