

QGIS Application - Bug report #1267

Add Postgis Layer Dialog needs to be restarted to get new defined connections

2008-09-02 02:44 AM - cmoe -

Status:	Closed	
Priority:	Low	
Assignee:	nobody -	
Category:	GUI	
Affected QGIS version:		Regression?: No
Operating System:	RedHat	Easy fix?: No
Pull Request or Patch supplied:		Resolution: fixed
Crashes QGIS or corrupts data:		Copied to github as #: 11327
Description		
I defined a new postgis connection in the add postgis layer dialog. After saving the new connection, its not available in the list to connect to. It only apears in the selection list after closing and reopening the dialog.

#1 - 2008-12-12 04:51 PM - Jürgen Fischer

- Resolution set to fixed
- Status changed from Open to Closed

Seems to be fixed. The new connection is inserted at the top of the selection list and even becomes the selected item.
