

QGIS Application - Feature request #12765

Drive time isochrones (vector tool)

2015-05-18 05:44 AM - Frank Schuessler

Status:	Open	
Priority:	Normal	
Assignee:		
Category:	Vectors	
Pull Request or Patch supplied:		Resolution:
Easy fix?:	No	Copied to github as #: 20864
Description		
It would be fantastic to be able to create drive time isochorones (or areas) using qGIS only! At present, creating drive time isochrones is only possible via pgrouting, which is quite painful for GIS users (surely not for database heroes).
