

QGIS Application - Feature request #12781

New histograms for rasters

2015-05-20 01:29 AM - Paolo Cavallini

Status:	Open	Resolution: Copied to github as #: 20880
Priority:	Normal	
Assignee:		
Category:	GUI	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
The new histogram tab for vector is very useful and looks nice. It would be good to extend it also for raster, in order to both have a more powerful feature and a more consistent interface.
