

QGIS Application - Feature request #12865

Composer Attribute table : Add an "Apply" button to "select attributes" dialog

2015-06-03 09:22 AM - Harrissou Santanna

Status:	Open	<b>Resolution:</b> <b>Copied to github as #:</b> 20956
Priority:	Normal	
Assignee:		
Category:	Map Composer/Printing	
Pull Request or Patch supplied:	Yes	
Easy fix?:	No	
<b>Description</b>		
<p>The columns of an attribute table added to the print composer can be customized through "select Attributes" dialog.</p> <p>Once the changes are made, it would be nice to have a button "Apply" to just see how the changes are displayed without closing the dialog.</p>
