

QGIS Application - Bug report #1293

No units in print composer paper properites

2008-09-05 07:41 AM - cmoe -

Status:	Closed	
Priority:	Low	
Assignee:	Marco Hugentobler	
Category:		
Affected QGIS version:		Regression?: No
Operating System: RedHat		Easy fix?: No
Pull Request or Patch supplied:		Resolution: fixed
Crashes QGIS or corrupts data:		Copied to github as #: 11353
Description 1. Open Print Composer 2. Go to Dialog General to change the paper size 3. The field units doesn't contain any units Even if there is only millimeter to choose, the units (mm) should by stated, maybe as inactive select box. If there are more posiblities, they should be listed.
