Easy fix?:	No	**Copied to github as #:**	21413

Description

Hi!
In "Settings/Options/General/Timeout for timed messages or dialogs" user can't set 0 or 1 value, only 2 or more. I'd like to turn off those messages and I tried to set "0" value - I'm on win7 x64 sp1, qgis dev 2.11.0-67
