QGIS Application - Feature request #13371
Move default style to themes folder

2015-09-16 05:05 PM - Nathan Woodrow

Status:	Open		
Priority:	Normal		
Assignee:	Nathan Woodrow		
Category:	GUI		
Pull Request or Patch supplied:	No	**Resolution:**	
Easy fix?:	No	**Copied to github as #:**	21423

Description

Now that we have theme support via stylesheets all style work should be moved outside of the application. Currently lots of setStyleSheet calls are made inside the application which breaks the look and feel when using a different style.

- Use properties in stylesheet to theme widget changes i.e messagebar states
- Remove most setStyleSheet calls
- Move default style into stylesheet
