

QGIS Application - Feature request #13629

Composer Legend: Add a "Reset selected items" button to legend items

2015-10-18 10:03 AM - Harrissou Santanna

Status:	Open	
Priority:	Normal	
Assignee:		
Category:	GUI	
Pull Request or Patch supplied:		Resolution:
Easy fix?:	No	Copied to github as #: 21666
Description		
<p>Following this discussion</p> <p>It would be nice to have the ability to "reset to defaults" the labels of many items in the composer legend (at once) instead of having to right-click on each item and select the "reset to default" option.</p>
