

## QGIS Application - Bug report #13858

### Adding TIFF does not set band automatically

2015-11-19 11:54 AM - Magnus Homann

| <b>Description</b>   |         |                                     |
| Reading the TIFF from forestry dataset in the tutorial, does not set Band 3(blue) correctly. Probably because I run in Swedish locale. |         |                                     |

#### History

##### #1 - 2015-11-20 07:47 AM - Magnus Homann

Seems to work in testing (4d02e48) on Win X64 osgeo build.

##### #2 - 2015-11-24 11:20 AM - Magnus Homann

- Resolution set to invalid

Apparently I had set the default blue band in Options -> Rendering to 10. Oops.

##### #3 - 2015-11-24 11:21 AM - Magnus Homann

- % Done changed from 0 to 100

##### #4 - 2015-11-24 11:22 AM - Magnus Homann

- Status changed from Open to Closed
