

QGIS Application - Bug report #139

"Update during drawing feature" does not work

2006-06-06 02:44 PM - Jeremy Palmer

Status:	Closed	
Priority:	Low	
Assignee:	Martin Dobias	
Category:	Map Canvas	
Affected QGIS version:		Regression?: No
Operating System:	All	Easy fix?: No
Pull Request or Patch supplied:		Resolution: fixed
Crashes QGIS or corrupts data:		Copied to github as #: 10198
Description		
<p>In the 2006-06-05 win32 build of qgis the "Update during drawing" feature does not work anymore. The canvas is only refreshed once all of the features have been drawn..</p>		

History

#1 - 2006-06-07 03:19 AM - Gavin Macaulay -

This is loss of functionality is a consequence of moving to Qt4, and is unlikely to be resolved before version 0.8 of qgis is released, so I've moved it to the 0.9 Release.

It is also a problem in the Mac and Unix builds.

#2 - 2006-08-10 04:38 AM - anonymous -

I have assigned this ticket to Martin as I dont know even what it is about. I just see 'canvas' ...
