QGIS Application - Bug report #14009
ogr2ogr not compiled with postgres drivers in QGIS v. 2.12

2015-12-18 11:34 AM - Joshua Picotte

Status:	Closed			
Priority:	Normal			
Assignee:				
Category:	Windows Package			
Affected QGIS version:	2.12.0	**Regression?:**	No	
Operating System:		**Easy fix?:**	No	
Pull Request or Patch supplied:		**Resolution:**	not reproducable	
Crashes QGIS or corrupts data:		**Copied to github as #:**	22022	

Description

ogr2ogr that comes packaged with QGIS v. 2.12 does not appear to come distributed with the postgres drivers. Is this correct? If it is, how do I resolve this issue or will future versions of QGIS have this problem resolved?

Thank you very much for your time.

Josh

- Category set to Windows Package

cannot confirm here

    C:\\>ogr2ogr --formats
    Supported Formats:
    [...]
      -> "OGDI" (readonly)
      -> "PostgreSQL" (read/write)
      -> "MySQL" (read/write)

[...]
