<b>Description</b>	
<p>Current Proportionnal size assistant produce only one legend type with one symbol per row. It would be nice to allow at least another output with overlapping symbols. See [[ <a href="http://www.ipt.univ-paris8.fr/vgodard/enseigne/carto2/memocart/imemcart/fi2fm31c.jpg">http://www.ipt.univ-paris8.fr/vgodard/enseigne/carto2/memocart/imemcart/fi2fm31c.jpg</a>]] for reference</p>
