

QGIS Application - Feature request #14375

Manual labeling: reset position and orientation to NULL

2016-02-25 06:21 AM - Denis Rouzaud

Status:	Closed	Resolution: Copied to github as #: 22357
Priority:	Normal	
Assignee:	Martin Dobias	
Category:	Labelling	
Pull Request or Patch supplied:	No	
Easy fix?:	No	
Description		
<p>It would be nice to be able to reset position and orientation of labels using map tools.</p> <p>The idea would be similar to the show/hide label map tool:</p> <p>click on the label to move/rotate it</p> <p>shift+click on the feature to reset position/orientation</p>
