

QGIS Application - Bug report #15138

WMS 1.1.1 doesn't work in master

2016-06-26 12:34 PM - dr -

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:	Unknown	
Affected QGIS version:	master	Regression?: No
Operating System:		Easy fix?: No
Pull Request or Patch supplied:		Resolution: fixed/implemented
Crashes QGIS or corrupts data:		Copied to github as #: 23077
Description		
Trying to add WMS layer from server http://bushman.nextgis.com/api/resource/22/wms?VERSION=1.1.1		
In QGIS 2.14 it works fine, but doesn't work in master.		
Layer properties (master):		
Layer Extent (layer original source projection)		
-0.0016169675114151,-0.0007640272910986 : 0.0016169675114151,0.0007640272910986		
Layer properties (2.14):		
Layer Extent (layer original source projection))		
-20037508.3427892439067364,-20037508.6269291006028652 :		
20037508.3427892439067364,20037508.6269291080534458

It's working fine with me in current master, can you please retest and report back, or let us know a way to reproduce?

The legendimage is not ok due to 'bad gateway':

http://bushman.nextgis.com/api/resource/22/wms?SERVICE=WMS&VERSION=1.1.1&SLD_VERSION=1.1.0&REQUEST=GetLegendGraphic&FORMAT=image/png&LAYER=sentinel2_42sug&STYLE=&TRANSPARENT=true

First GetMap request that is fired with me:

http://bushman.nextgis.com/api/resource/22/wms?SERVICE=WMS&VERSION=1.1.1&REQUEST=GetMap&BBOX=-20037508.3427892491,-20037508.6269291006,20037508.34278924391,20037508.62692910805&SRS=EPSG:3857&WIDTH=631&HEIGHT=632&LAYERS=sentinel2_42sug&STYLES=&FORMAT=image/png&DPI=96&MAP_RESOLUTION=96&FORMAT_OPTIONS=dpi:96&TRANSPARENT=TRUE

So I have to zoom in a lot.

It looks like there is some latlong-swapping going on? Maybe related to commit:0409f5e

But as said, at least I get an image (and it is the full world that is advertised as the layer extent:

<http://bushman.nextgis.com/api/resource/22/wms?SERVICE=WMS&VERSION=1.3.0&REQUEST=GetCapabilities>

#2 - 2016-07-04 04:59 AM - Richard Duivenvoorde

- Status changed from Open to Feedback

#3 - 2016-07-05 07:44 AM - dr -

- Resolution set to fixed/implemented

- Status changed from Feedback to Closed

Thanks for help. It looks like issue was already fixed, now all works as expected.
