

QGIS Application - Feature request #15161

Set page size and orientation automatically when printing a map

2016-06-28 12:03 PM - R. R.

Status:	Closed	Resolution: up/downstream Copied to github as #: 23100
Priority:	Normal	
Assignee:		
Category:	Map Composer/Printing	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
Is there a way to set the printer driver's page size and orientation automatically? Such a feature would be quite useful. I often forget to change these settings before printing :/

#3 - 2016-06-28 01:17 PM - Nyal Dawson

- Resolution set to up/downstream
- Status changed from Open to Closed

QGIS tries to by using the Qt printer methods, but it's not always possible (according to the Qt documentation)

#4 - 2016-06-29 01:54 AM - Andreas Neumann

any better with qt5 ?

#5 - 2016-07-01 04:56 AM - R. R.

LibreCAD 2.1.1 (Qt 5.4.1) sets the page size and orientation automatically.
