QGIS Application - Feature request #1522
Zoom to Next functionality

2009-01-31 03:18 PM - Maxim Dubinin

Status:	Closed			
Priority:	Low			
Assignee:	Gary Sherman			
Category:	GUI			
Pull Request or Patch supplied:			**Resolution:**	fixed
Easy fix?:	No		**Copied to github as #:**	11582

Description

we've developed a patch to add Zoom to Next functionality and extend
current Zoom to Last, basically it adds new button to couple current
Zoom to Last and adds memory of 20 extents to both. Tested and working
good on Linux.

As this involved API change, should also be reflected in doc? python bindings?

probably modification of the preferences is needed too, to allow altering number of saved extents

History

#1 - 2009-01-31 05:22 PM - Maxim Dubinin

sip.zip - patch for C++ and python bindings, please check.

#2 - 2009-04-15 11:04 PM - Gary Sherman

- Status changed from Open to In Progress

I have applied this patch in my local development branch. Once feature freeze is lifted in trunk, I will commit it.

#3 - 2009-04-17 11:07 PM - Gary Sherman

- Resolution set to fixed

- Status changed from In Progress to Closed

#4 - 2009-08-22 01:02 AM - Anonymous

Milestone Version 1.0.2 deleted
