

QGIS Application - Bug report #15509

Impossible to set a distance for "Around Centroid" placement for polygon labels

2016-09-01 02:20 AM - Harrissou Santanna

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:	Labelling	
Affected QGIS version:	master_2	Regression?: No
Operating System:		Easy fix?: No
Pull Request or Patch supplied:	No	Resolution: not reproducible
Crashes QGIS or corrupts data:	No	Copied to github as #: 23433
Description		
<p>Polygon layer's properties > Labels tab > Show labels for this layer</p> <p>Placement tab, select Around Centroid</p> <p>The distance settings are greyed out</p> <p>I don't know how but heavily testing the different options in order to write a precise report, I get it work. I can't tell how but the options were available. Note that i tried the options with lines and the "using perimeter" one with all allowed position.</p> <p>Then I close and reopen the project and once again Distance wasn't available (greyed out)</p> <p>master_2 and 2.16.2</p>		

History

#1 - 2017-05-01 01:03 AM - Giovanni Manghi

- Easy fix? set to No
- Regression? set to No

#2 - 2018-02-04 09:58 PM - Harrissou Santanna

- Resolution set to not reproducible
- Status changed from Open to Closed
- Description updated

seems to work
