

QGIS Application - Feature request #15548

Dissolve Tool: Allow Point and Line features & provide the option to set statistical fields

2016-09-08 01:24 PM - Ger CO

Status:	Open	Resolution: Copied to github as #: 23471
Priority:	Normal	
Assignee:		
Category:	Unknown	
Pull Request or Patch supplied:	No	
Easy fix?:	No	
Description		
It would be really helpful if qgis dissolve plugin could:		
-integrate an option for statistics for a felxible amount of fields?		
-integrate the possibility to support point and line features?

seems like a duplicate of "#13654":#13654

#2 - 2016-09-15 03:41 AM - Bernhard Ströbl

Dissolve should already work on line layers

true, it does! regarding your first comment: this request differs from the request you stated only concerning the supoort of point features and the felxible amount of fields that can be set for statistics.

Thanks for your feedback!
