## History

---

### #1 - 2017-05-01 01:03 AM - Giovanni Manghi

- *Regression? set to No*
- *Easy fix? set to No*

### #2 - 2017-05-01 10:55 AM - Giovanni Manghi

A few providers are being removed from QGIS3 (they will be available as plugins), so the respective categories are also being removed from the bug tracker. Where necessary the tickets will be reassigned to "processing/core" to not leave them orphaned of category.

### #3 - 2017-05-01 11:04 AM - Giovanni Manghi

Some providers are being removed from QGIS/Processing (will be available as plugin) and so are their categories in the bug tracker. To not leave them orphaned of a category they are being reassigned to processing/core.

### #4 - 2017-05-01 11:06 AM - Giovanni Manghi

- *Category changed from 120 to Processing/Core*

### #5 - 2017-05-03 07:18 PM - Alexander Bruy

- *Resolution set to up/downstream*
- *Description updated*
- *Status changed from Open to Rejected*

Moved to plugin bugtracker <https://github.com/volaya/qgis-otb-plugin/issues/10>
