

QGIS Application - Feature request #1578

Basic shapes in map composer

2009-03-19 02:03 AM - drofan -

Status:	Closed	
Priority:	Low	
Assignee:	nobody -	
Category:		
Pull Request or Patch supplied:		Resolution: fixed
Easy fix?:	No	Copied to github as #: 11638
Description		
It would be great if developers add ability to draw basic shapes such as polygons circles lines in map composer. If this happens, there will be no need to use 3rd party software to make complex layouts containing tables stamps and other decorations.
