

QGIS Application - Feature request #15845

Re-ordering fields

2016-11-14 01:01 AM - Saber Razmjooei

Status:	Open	Resolution: Copied to github as #: 23763
Priority:	Normal	
Assignee:		
Category:	Vectors	
Pull Request or Patch supplied:	Not supplied	
Easy fix?:	No	
Description		
It will be great to have an option under Layer Properties > Fields to re-order the fields, when in edit mode.
