

QGIS Application - Feature request #15950

Save and stop editing for all layers

2016-12-07 02:52 PM - R. R.

Status:	Open	Resolution: Copied to github as #: 23866
Priority:	Normal	
Assignee:		
Category:	Digitising	
Pull Request or Patch supplied:	Supplied:	
Easy fix?:	No	
Description		
A "Save and stop editing for all layers' option in the 'Current Edits' menu would be quite helpful!
