

## QGIS Application - Feature request #16357

### Allow to set extent from other layer in raster save as dialog

2017-03-16 02:14 AM - marish -

<b>Status:</b> Closed	
<b>Priority:</b> Low	
<b>Assignee:</b>	
<b>Category:</b> Rasters	
<b>Pull Request or Patch supplied:</b>	<b>Resolution:</b>
<b>Easy fix?:</b> No	<b>Copied to github as #:</b> 24267
<b>Description</b>	
At the moment raster save as dialog has two options - set output extent to whole layer and to current extent. It would be nice if there would be an option to use any other layer to set extent from.	

#### Associated revisions

##### Revision 4e4f232a - 2017-05-31 12:29 PM - Nyal Dawson

[FEATURE] Add option to take extent from project map layer to QgsExtentGroupBox

This allows matching another layer's extent in the save vector/raster layer dialog, among others

Fix #16357
