I would also like to have this feature implemented.

#2 - 2009-12-08 03:59 PM - Jürgen Fischer

- Resolution set to fixed

- Status changed from Open to Closed

fixed in commit:eef0367b (SVN r12379).

Thanks Jurgen, this much needed.

I have just two notes to leave:

a) when deleting a feature from the table, it doesn't pop up any message to confirm the operation, like when it is done trough the map canvas

b) after deleting a feature from the table the operation does not show in the "undo/redo" stack.
