Pull Request or Patch supplied:	No	**Resolution:**	not reproducable	
Crashes QGIS or corrupts data:	Yes	**Copied to github as #:**	24421	

Description

Hi. I am trying to create polygons. It works fine until I click on snap to intersections, at which point it will immediately freeze up the first time I try to creat something.

History

- Status changed from Open to Feedback

- Category changed from Geometry to Digitising

Can you please provide a sample project with a minimal dataset? thanks.

#2 - 2017-05-26 05:02 PM - Giovanni Manghi

- Resolution set to not reproducable

- Status changed from Feedback to Closed

Closing for lack of feedback.
