Description

QGIS crush when trying to add delimited text layer. it give the note :

minidump written to c.

i try in earlier version and it work, i think it not working in 2.18.8 only

History

#1 - 2017-05-26 06:31 PM - Giovanni Manghi

- Resolution set to invalid

- Status changed from Open to Rejected

Already fixed, install qgis 2.18.8 from osgeo4w or wait for the new point release.
