<b>Description</b>	
<p>Hi,</p> <p>When using the "Only show items inside current atlas feature" feature within a map composer, its state is not being saved. Saving with the checkbox enabled, and reopening will show the checkbox disabled.</p> <p>I've had a look through the .qgs save file and I cannot see anything that would suggest that its state would be stored within the &lt;ComposerLegend&gt; tags.</p> <p>I've tested this on both master and 2.18.9.</p> <p>Many Thanks.</p>
