QGIS Application - Bug report #16853
identify actions lists on right clic disappeared in master

2017-07-12 11:43 AM - Regis Haubourg

Status:	Closed			
Priority:	High			
Assignee:				
Category:	Actions			
Affected QGIS version:	master	**Regression?:**	Yes
Operating System:		**Easy fix?:**	No
Pull Request or Patch supplied:		**Resolution:**	not reproducable
Crashes QGIS or corrupts data:	No	**Copied to github as #:**	24752

Description

To reproduce, try a right click with identify on a layer with actions in master, the menu is not populated with actions.

If anyone has a clue...

History

looking at this issue, I can't manage to enter a new python action, the dialog freezes....do you confirm?

#2 - 2018-01-22 05:14 PM - Denis Rouzaud

just tested with a 2.18 project on master, the actions are well listed in the identify menu.
