

QGIS Application - Bug report #1700
[PATCH] Fix crash in qgsnewogrconnection.cpp

2009-05-17 06:37 AM - Even Rouault

Status:	Closed	
Priority:	Low	
Assignee:	nobody -	
Category:		
Affected QGIS version:		Regression?: No
Operating System: Debian		Easy fix?: No
Pull Request or Patch supplied:		Resolution: fixed
Crashes QGIS or corrupts data:		Copied to github as #: 11760
Description		
[[QgsNewOgrConnection]]::testConnection() will crash if it fails. It is illegal to call OGRReleaseDataSource() with a NULL pointer. Attached a patch that fixes the issue.		

History

#1 - 2009-05-17 06:58 AM - Jürgen Fischer

- Resolution set to fixed
- Status changed from Open to Closed

Thanks. Applied in
