<b>Pull Request or Patch supplied:</b>	No	
<b>Easy fix?:</b>	No	<b>Resolution:</b> <b>Copied to github as #:</b> 24973
<b>Description</b>  Raster menu --> Align Rasters... In the dialog, there's a "Clip to extent" frame that uses the map extent widget also used for example in Project menu --> Save Maps as Image. It could be nice to provide all the compatible options of this widget, including the "Draw on canvas" option in this dialog.		

#### History

##### #1 - 2017-11-10 07:52 AM - Alexander Bruy

- Subject changed from Missing "Draw on Canvas" option in Align Rasters dialog to Add "Draw on Canvas" option in Align Rasters dialog
- Tracker changed from Bug report to Feature request
