

QGIS Application - Feature request #17166

Add Layer definiton button in data source manager

2017-09-20 08:32 AM - Franz Fischlmair

Status:	Open	Resolution: Copied to github as #: 25065
Priority:	Normal	
Assignee:		
Category:	GUI	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
Wouldn't it be better to add the possibility of adding a Layerdefiniton file into a QGIS-map to the new Data Source Manager?		

History

#1 - 2017-09-21 11:00 AM - Giovanni Manghi

- Subject changed from adding a Layerdefiniton file in QGIS 2.99 to Add Layer definiton button in data source manager
