QGIS Application - Feature request #17326
Sorting of Layers

2017-10-25 09:55 AM - Hans Fuchs

Status:	Closed			
Priority:	Normal			
Assignee:				
Category:	Map Legend			
Pull Request or Patch supplied:	No		**Resolution:**	duplicate
Easy fix?:	No		**Copied to github as #:**	25224

Description

If several Raster Layers are added to the Layers Panel they are sorted in descending alphanumeric order according to the file name.

Please change to ascending order which saves a lot of work on rearranging (e.g. many satellite image bands) in the Layers Panel.

OsGeo4W QGIS 2.18.3
