

QGIS Application - Bug report #17339

When using rule based labels the caption cannot be centred on a polygon feature

2017-10-27 07:28 AM - Patrick Dunford

Status:	Feedback	
Priority:	Normal	
Assignee:		
Category:	Labelling	
Affected QGIS version:	master	Regression?: No
Operating System:	Debian 9.1	Easy fix?: No
Pull Request or Patch supplied:	No	Resolution:
Crashes QGIS or corrupts data:	No	Copied to github as #: 25236
Description		
<p>I have a few layers with polygons that use a caption with a single letter. When the layer has just a single label for every polygon then I can centre the label and it looks good. If I switch the layer to use rule based captioning the label cannot be centered. See the sample photos attached.</p>
