QGIS Application - Bug report #17578
Wrong tooltip for GeoPackage's Create spatial index

2017-11-28 10:37 PM - Borys Jurgiel

Status:	Closed			
Priority:	Normal			
Assignee:				
Category:	GUI			
Affected QGIS version:	master	**Regression?:**	No	
Operating System:		**Easy fix?:**	No	
Pull Request or Patch supplied:		**Resolution:**	fixed/implemented	
Crashes QGIS or corrupts data:		**Copied to github as #:**	25475	

Description

The tooltip for the "Create spatial index" combobox in the New GeoPackage Layer windows says "Add an integer id field as the primary key for the new layer".

I guess it's just a mistake? Or it tries to say the creation the PKEY is forced? But it seems the PKEY column is always created...

Associated revisions

Revision 79e27895 - 2017-12-05 03:07 PM - Borys Jurgiel

Fix a tooltip (backport from 3.0). Fixes #17578
